Ida Grove, Iowa April 9, 2024

The Board of Supervisors met for their regularly scheduled meeting on Tuesday, April 9, 2024 at 9 a.m. Members present Chair Creston Schubert, Devlun Whiteing and Raymond Drey.

The minutes of the March 26 meeting were read and approved. All voting Aye.

Riley Gibson with Summit Carbon Solutions updated the Board regarding the carbon pipeline that is proposed in Ida County. Gibson reported that the IUB haven't made any decisions on the pipeline yet. He also shared that POET Bio-refining in Arthur is now going to be connected to the proposed pipeline. This will make them eligible, due to a lower CI score, to be able to produce up and coming biofuels such as Sustainable Aviation fuel. Increasing the need for corn and increasing the price per bushel for our area farmers. Summit will be bringing out the dispersion model specifications for our County soon.

County Engineer-Jeff Williams and Assistant County Engineer-Colin Ryan, presented to the Board the resignation of Trevor Reitz, operator effective April 12, 2024. Drey made a motion to accept the resignation, with Whiteing seconding. Motion carried, all voting Aye.

Williams and Ryan presented to the Board the quotes for a UTV. After reviewing, the Board of Supervisors voted to approve the purchase from Brother's Cart World at a cost of \$16,652. Drey moved to approve, and Whiteing seconded the motion. Motion carried, all voting Aye.

ondary Roads budget for review. After discussion, Whiteing moved to approve the budget as presented, Drey seconded the motion, motion carried all voting Aye.

Drey moved to approve and Whiteing seconded the motion. Motion carried all voting Aye. Sohm, E911 surcharge department head, presented information on possibly upgrading the county's radio system to the Iowa Statewide Communications Interoperable System or ISICS. He shared information about how other counties in the area have upgraded their systems, however, with the passage of HF718 that it possibly would have to go to a public measure vote. E911 currently doesn't have the funds

to cover the approximate cost for switching the services to ISICS of between \$2,000,000 to \$3,000,000. After discussion the Board came to a consensus that it wouldn't be feasible at this time. Sohm respects this decision and will let those that are concerned with the topic know. Auditor Folk presented the board with copies of the Ida County Auditor's Report and Basic Financial Statements for the fiscal year end June 30, 2023. There was no dis-

Folk states that certain items in the current budget need to be amended, the Medical Examiner General Basic account, due to a higher number of autopsies this year than projected, that department has requested a \$10,000 budget increase.
