Road Construction update was given. Drey reported a hole in county road 240th just off M25. Williams will check into it. Further discussion about the Landfill/Drainage was brought up by Whiteing. Williams agreed to look into the Landfill issues and follow up with Whiteing. Discussion

resumed regarding 255th Street South of the OABCIG High School. Whiteing requested that the City of Ida Grove and Superintendent of Schools, Matt Alexander, be invited to a future Board Meeting.

At 10:32 a.m., as published, Chair Schubert opened the 2nd public hearing for the consideration of Resolution 23-15, Declaring Emergency Medical Services to be an Essential Service. Those present were Corey Trucke, EMS Director and Larry Folk, Horn Memorial Hospital Emergency Preparedness Coordinator. Trucke reported who the current EMS advisory group would be recommending to the Board for consideration to make up the EMS advisory board. During this time, Drey asked if the rural residence would be represented. Trucke shared that he would feel comfortable not having Sheriff as a part of the voting board members, and instead have rural representation. Further discussion brought up a couple of people of interest by both Schubert and Drey. Trucke will follow up with them and then submit the proposal of the EMS Advisory Board to Administrative Assistant Folk to bring to the next meeting. Chair Schubert asked if the EMS group had any funds to promote the EMS Levy consideration, should it be put on the November ballot. Trucke shared that the EMS Association has some funds that they would use to help promote and publicize should the final reading be passed and approved. It was then shared that Trucke would not be here, in person, for the 3rd and Final Reading of Resolution 23-15, but plans to participate via phone conference.
