Mayor Gary Chase called the November 2024 meeting of the Ida County Public Safety and Communications Commission to order at 7:10 p.m. The following members were present:
Mayor Gary Chase; Mayor Gary Wanberg; Mayor Nathan Weill; Supervisor Devlun Whiteing and Sheriff Wade Harriman.
Mayor Gary Wanberg made a motion to approve the agenda. Second by Supervisor Devlun Whiteing.
Supervisor Devlun Whiteing made a motion to approve the minutes from the previous meeting. Second by Mayor Nathan Weill.
Sheriff Wade Harriman then gave a short report on activities of the Sheriff's Office during the previous month.
He reported that his office logged a total of 1,012.5-hours on patrol in the month of October and made 28-arrests. Sheriff Harriman then updated briefly the commission members on a few specific arrests.
Sheriff Harriman did speak for a few minutes about the reasoning behind his office executing a high volume number of traffic stops each

month. Sheriff Harriman stated that he has recently received a citizen complaint about why deputies stop vehicles for what many would consider minor traffic related offenses.
The Sheriff stated that the reason behind this is that deputies, by doing several stops for minor violations, are actually in search of other more serious violations. He gave a recent example from October 2024 that showed that by doing traffic stops for minor violations his deputies made three arrests for operating while intoxicated; three drug related arrests; two arrest for driver who were operating on barred licenses and four arrests for drivers who were operating while their license was suspended.
Sheriff Harriman went on to advise the commission that in the month of October his deputies issued 70-citations and booked in 22-inmates into the county jail. In addition, deputies served 44-civil processes in the month.
There was nothing to report under the communications portion of the meeting.
During the jail portion of the meeting, Sheriff Harriman reported that two employees (one jailer and one deputy) had recently flown to North Carolina and transported back an inmate to the county jail on a serious sexual assault investigation that had been under investigation

for nearly one year.
Under personnel, Sheriff Harriman told the commission that all sworn staff members had re-certified with firearms in October. He also stated that Deputy Kirk Kinnaman would be attending a two-week DARE instructor certification course in Minnesota in February 2024. Deputy Kinnaman will begin teaching DARE at the Galva-Holstein Upper Elementary building in Galva, Iowa. He will be taking over for Sheriff Harriman who has instructed DARE for 25-years.
During unfinished business, Sheriff Harriman reminded that a special meeting would be held on Dec. 18, 2024 at 6 p.m. to officially adopt the change to the 28E agreement on how the annual budget would be allocated to each taxing entity.
Under new business, Sheriff Harriman stated that both new Ford Explorers are now on the road and that two new Chevy Tahoe vehicles would soon be on the road.
Next meeting date was set for Dec. 18, 2024 at 6 p.m. at the Ida County Courthouse.
Mayor Gary Wanberg made a motion to adjourn the meeting. Second by Supervisor Devlun Whiteing. Motion carried. Meeting adjourned at 7:35 p.m.
